

Roll + 10W Surface Mount by Lumen8

Solis.

Roll+ is a sleek and contemporary surface mount fitting ideal for residential and small retail and restaurant environments. The 10W LED fitting is available in 3000K and 4000K and has a narrow to wide beam angle. Standard finishes include satin white and black. Dimmable using a Trailing Edge system. Bluetooth dimming is also available. This requires an additional, remotely installed component.
