

## Globo by Slide

# SLIDE®

The Globo Pendant by Slide is the piece that made Slide famous. Its simple spherical form allows for the creation of sophisticated and timeless installations. Globo was designed by the talented Slide Studio team and can now be found in projects all over the Globe from restaurants, bars, spas, hotels, private residences and even the Google Campus. A true mark of quality design. The Globo Pendant requires an E27 lamp (sold separately) which allows for a wide variety of colour temperatures to suit any residential or commercial application. Dimming will be dependant on the lamp selection. Dali or Bluetooth Dimming can be achieved through the use of an additional remotely installed component.

### Specifications

Light source	E27	Finish	Opal/Frosted
Wattage	10W Max	Material	Polyethylene
Light distribution	General	Brand	<u>Slide</u>
Voltage (V)   Current (mA)	Mains Voltage – 220V-240V	Origin	Italy
Dimming options	Trailing Edge   Phase Dali Bluetooth   Casambi	Product code	32 LPSFI_---
Ingress protection rating (IP)	IPX0	Warranty	2 years (excluding bulb)
		Other	E27 Lamp sold separately, Dali or Bluetooth dimming requires additional component
