

Nix 45 Track Light by Lumen8

Solis.

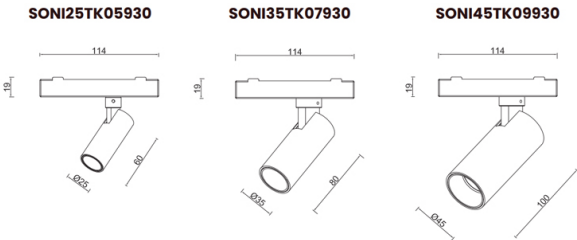

Nix 45 Track lighting is a sleek and contemporary fitting ideal for residential and small retail and restaurant environments.

Excellent for creating directional lighting, highlighting artworks, or creating general lighting within a space. Functional and aesthetic, Nix 45 Track Light is available in black and white in either 2700K, 3000K or 4000K. It features a recessed baffle for greater glare control, and has an 80° adjustable tilt and 360° rotation, allowing greater flexibility for light distribution.

The 9W, CRI90+, 3-Step MacAdam LED fitting is available in a narrow to wide beam angle to suit a variety of applications.

For use on the Nix 48V Track System by Lumen8.
